## Do you want to help keep Boston clear of litter?

Why not join our litter champion scheme and support us in keeping Boston clean and tidy.

In return we would provide you with a litter picker, hi-vis jacket, gloves, a second green bin and black bags.

Look at the difference you could make

*Before a litter pick*

*After a litter pick*

If you think you could support us in keeping Boston tidy please fill out the attached Pledge form and send back to Emma Butler, Boston Borough Council, Fen Road, Frampton Fen, Boston, PE20 1RZ

## DO:

- Wear the gloves provided for cleanliness purposes but remember these will not protect you from sharp objects.
- Wash your hands thoroughly after litter picking and once again before eating.
- Make sure an adult is supervising children taking part in the litter pick at all times.
- Wear the high visibility jackets/ waist coats provided.
- Stay on the paths at all times.

## DON'T:

Pick up any of the following:

- Glass
- Hypodermic needles / syringes
- Dog mess
- Any sharp objects

If you come across any of the above objects please report them to Boston Borough Council on 01205 311112

- Don't go onto the road to collect litter

It is also a good idea to record progress by taking before and after photographs. This information can be used for publicity and future projects.
